

# SOLAR ENERGY AND FINANCIAL SOLUTIONS

KEEP YOUR  
MONEY

On<sup>N</sup>Power Energy  
Group

YOU FOCUS ON YOUR  
BUSINESS, PERFORMANCE  
IS OUR RESPONSIBILITY.

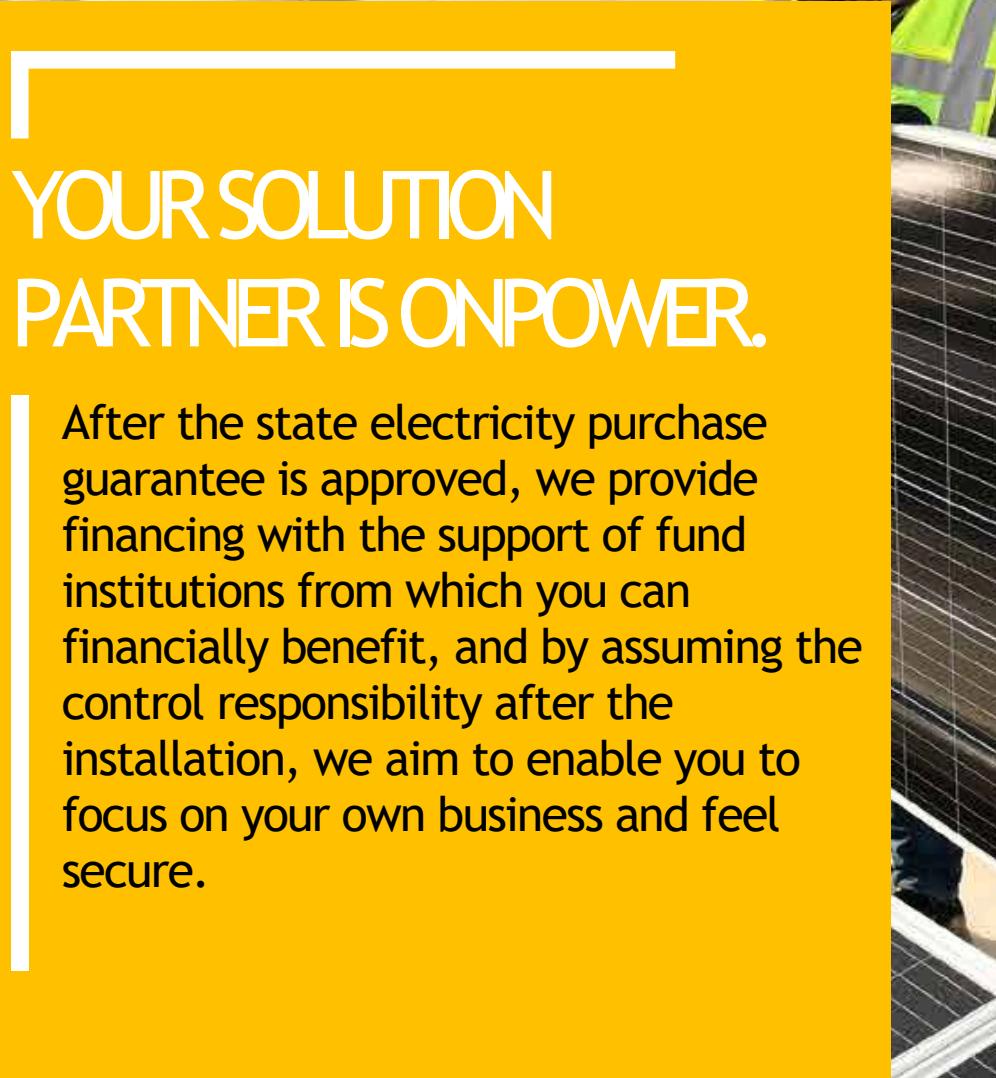

As OnPower Energy, it is our responsibility to design, install and commission your power plant and ensure that it always operates at high performance.

## INVESTMENT FINANCE.

As OnPower Energy, we save you from the search for solar power plant investment financing by using our financial connections and provide investment financing. We create the opportunity for you to make multiple investments at the same time without affecting your cash flow.

After the state electricity purchase guarantee is approved, we provide financing with the support of fund institutions from which you can financially benefit, and by assuming the control responsibility after the installation, we aim to enable you to focus on your own business and feel secure.

# PRODUCING YOUR ENERGY WITH SOLAR POWER PLANTS
